Global Strategy for Asthma Management and Prevention (2011 update)
Publications Reviewed by the GINA Science Committee

The process to produce this 2011 update included a Pub Med search using search fields established by the Committee: 1) *Asthma, All Fields, Clinical Trial, only items with abstracts, human*; and 2) *Asthma AND systematic, All Fields, only items with abstracts, human. The search included references published July 1, 2010 –June 30, 2011.*
